Your life is made up of special events.
Let's make them as unique as you are together.

"Candy+Co. worked with us closely to brainstorm all the little details to ensure that our wedding was not formulaic and stayed true to us, our experience as a couple, and our values so that we didn't just have a generic, cookie-cutter wedding." - J+D 3.20.21

MINI MONTH-OF:

For clients who are eloping or having less than 10-15 guests, we offer support from 6-weeks through to your event date, including an on-site visit and virtual timeline meeting, coordination of your vendors, and all aspects of your day-of intimate event.

MONTH-OF:

For clients who have their checklist complete and all vendors contracted - we offer 4-6 weeks of services to review your contracts, walkthrough the venue, create a customized timeline + floorplan, and provide on-site event management and coordination.

For clients who want guided planning support, decision-making timelines, monthly to-do's, and vendor sourcing and scheduling, we offer a la carte vendor service options to customize a partial planning package that meets all of your needs.
